

We've been the supplier of choice of major buyers since 1975

Our catalog of over 50,000 electronic components awaits you

UI/EI/toroidal encapsulated transformers

Split bobbin/twin bobbin/PCB plug-in transformers

Ignition transformers

Flyback transformers

After 37 years in the industry, Thai Lin has accumulated over 50,000 products, most of which meet EN 60065, EN 60950, EN 61558, UL 5083-2/-3, cUL C22.2 and CE standards. We are ISO 9001:2008- and ISO 14001:2004-certified, and strive to offer you quality, reliable products at all times.

We produce transformers and coil related products for a wide range of applications in the electronics, engineering, telecommunication and medical sectors. With a TÜV-certified laboratory that meets UL's Witness Test Data Program requirements, you can trust our product development credentials. And we work in close contact with our customers to meet their needs. This dedication has taken us to the forefront of the coil winding industry. To find out more, inquire today.
